

Beauty For Ashes Africa
PO BOX 1055
Buxton NC 27920

Dear [Name],

Every girl deserves safety, dignity, and the chance to dream again.

At **Healing House**, our *Beauty for Ashes Transition Home*, we provide that chance. Our home is a safe and loving environment for up to eight young women at a time—survivors and those at risk of human trafficking in North Africa—where they can find hope, healing, and a new beginning.

Without Healing House, these girls would be left to face life on the streets alone. We are the **first and only transition home** for girls like them, offering not only shelter but a lifeline.

Each girl in our home receives:

- ✓ A safe and nurturing place to live
- ✓ Nutritious food, clothing, and medical care
- ✓ Trauma-based counseling and mentorship
- ✓ Education, tutoring, and job training
- ✓ Support as they transition into independent living

Most importantly, they receive something they've never had before—the **belief that they are worthy of love and capable of a future filled with hope.**

But this life-changing work is only possible because of people like you.

This **Giving Tuesday, December 2nd**, we're inviting you to become part of a story of transformation. For just **\$35 a month**, you can **Sponsor a Girl**—giving her:

- ♥ Education and job training
Loving mentorship and trauma care
- ♥ Safe housing, food, and essentials

When you choose to sponsor a specific girl, you'll receive **quarterly updates** about her journey—her growth, her victories, and her hopes for the future. You'll see firsthand how your generosity is changing her life.

Will you join us this Giving Tuesday and help us reach our goal to have every girl in our home fully sponsored before the end of the year? Here are 3 Ways to Give :

1. Send a Check to Beauty For Ashes Africa at the address above.
2. Donate monthly to a girl's journey of your choosing: www.beautyforashesafrica.org/sponsor-a-girl
3. Give one time to sponsor a girl: <https://secure.qgiv.com/for/givingtuesdaysponsoragirl/> (see QR code at the top of the page)

Together, we can give victims of trafficking not just rescue—but a **future filled with hope.**

With Much Gratitude,

Chrissy Duke
